Slovenia Team 2020

Any Slovenian Agility handler interested in representing their country at the 2020 WAO should contact the team manager to declare their interest. If there is more interest than 3 dogs per height, the dogs for the team are chosen based on ranking from EO tryouts.

The top 3 dogs in each WAO height will be chosen to run at the WAO. The first placed dog will be offered the individual Pentathlon and Biathlon as a minimum.

The additional 2 dogs per jump height may be added on the decision of a team manager, but again following the EO tryouts results - meaning all (3-5) spots are win-on.

Heights

WAO jump heights and cut-off heights are as follows:

- The height cutoff for the 300mm division is 320mm.
- The height cutoff for the 400mm division is 410mm.
- The 500 division has a height cutoff remaining at 500mm.
- All dogs over 500mm will be in the 600 division.
