Team Switzerland Selection Guidelines for WAO Championships 2021

Team Manager: Bettina Stemmler, info@scotties.ch

Team Switzerland 2021

Due to the exceptional situation during the corona crisis, the WAO 2020 was first postponed from May 2020 to October 2020 and then completely cancelled. Because of this situation, there is a Team Switzerland for May and a second team for October.

Team Switzerland 2021 chooses Option 1 offered by the organizers which means that the team of 2020 is also the team for 2021 and a 4th spot for individual events per height can be entered. The junior handlers of 2020 will also be part of the team in 2021.

Dogs from the WAO Team 2020 (May and October) do have priority for the first three spots. If more than three dogs from the WAO Team May or October want to be part of the team 2021, the dogs with points (according to the Selection Guidelines for WAO 2020) do have priority. We will organize a qualification for the 4th spot. People need to send me an email until 30th August 2020 if interested in compete for the 4th spot. For the qualification, the cumulative result of an agility and a jumping run will count according to the WAO rules.

Points according to the Selection Guidelines for WAO 2020

SC 2019 was not part of it, because at the time I had to submit the Guidelines it seemed that there would not be an SC 2019, and therefore the EO Quali 2019 was taken in.
