

Team Switzerland Selection Guidelines for WAO Championships 2022

Team Manager: Bettina Stemmler, info@scotties.ch

Team Switzerland 2022

If more than three dogs per height are interested, a qualification will take place as follows:
For the qualification competition an agility and a jumping run will take place and the combined ranking list counts will count according to the WAO Biathlon rules (cumulative time and score, while an elimination counts 50.00 seconds and 50 score points).

For each height category, a maximum of three dogs can qualify for the team (exceptions can be discussed, e.g. if a handler runs with two dogs or is happy to share his spot with somebody).
As team coach and country manager, Bettina Stemmler will compete for Switzerland with one spot in the 250 category and is also eligible to participate in the qualification competition.

If, due to Corona laws and regulations, no qualification can take place, the team will be selected at managers discretion and approved by WAO.

WAO Junior World Championships

One junior handler (also Swiss Citizen or resident of Switzerland, date of birth must be on or after 21th May 2003) in each height category is invited to compete for the WAO Junior World Champion. Juniors must be under 19 on the Friday of the WAO competition weekend 2022. The junior with the most accumulated points in the competitions listed above will be selected.

Contact

If you wish to participate, please send the following details to the Swiss Team Manager: Bettina Stemmler: info@scotties.ch, All registration requests must be received by 30 June 2021.
