6. Selection Process

All Application forms must be received no later than 1 Mar 2023.

The dogs will be qualified, based on their achievements until 1 Mar 2023. If there are more than three dogs in a specific height class, the dog having bigger number of aggregated points, per height and category will qualify on position 1 and so on. If there is only one candidate in the selected WAO height division, the dog is entered under position 1.

The winner is guaranteed to run in Agility Pentathlon and Agility Biathlon.

For calculating the points, the following tables have to be used:

- Results from international agility competitions:

QUALIFICATION	AGILITY A0	AGILITY A1	AGILITY A2	AGILITY A3
EXCELLENT	60	80	90	100
VERY GOOD	30	40	50	60
GOOD	10	30	35	40

- Results from national agility competitions:

PLACE	AGILITY A0	AGILITY A1	AGILITY A2	AGILITY A3
1 st	60	70	80	100
2 nd	30	50	60	80
3 rd	15	30	40	60
4 th	10	15	20	40
5 th	5	10	15	20

The points are calculated as sum of all achieved results.

For example: dog with VERY GOOD in AGILITY A2, two 1st places in AGILITY A2, one 2nd place in AGILITY A3 and three 4th places in AGILITY A1 will have:

$$\text{Total points} = 1 \times 50 + 2 \times 80 + 1 \times 80 + 3 \times 15 = 335$$

7. Registration process

The Application Form (Appendix 1) including the scanned copies of the achieved results must be submitted by email to agility@wildspeedangels.com. Closing date for submitting the applications is 1 Mar 2023. In case there are still available places after 1 Mar 2023, they will be available for as long as the team management seems suitable.
